For All Your Accounting Needs

# BUSINESSNOW FIJI

A Smarter Way to Start Your Business

The Fiji Government's new business portal - businessNow Fiji - is now live and available for new investors, entrepreneurs, and business owners.

## What is businessNow Fiji?

businessNOW Fiji consolidates a suite of essential services into a single, user-friendly online platform. It allows users to:

- ✓ Register a company name
  - ✓ Apply for licences and permits
  - ✓ Register for tax and employer obligations
  - ✓ Apply for fire-safety and workplace compliance
  - ✓ Obtain health licences (for food businesses)
- ...and more — all via one login.

## When did it Start?

The first phase of businessNOW Fiji ("Starting a Business e-Services") officially launched on 26 September 2024.

## Why it matters

- No more multiple office visits — registration, permits, tax registration, and licensing can all be completed online.
- Streamlined process with clear checklists, transparent timelines, and online payment options.
- Supports transparency and efficiency, reducing time and cost for new business set-ups in Fiji.

For businesses already operating — or planning to launch — this portal is a game-changer that can significantly reduce red tape and speed up compliance.

## Ready to Start Your Business in Fiji?

At Advice Point Solution Pte Limited, we make the process simple and stress-free. From company registration to tax compliance and business advisory services, we handle it all — so you can focus on growing your business.
